✓
The definition of "person" in s. 125.02 (14) includes natural persons and business entities. Also, the definitions of wholesaler, brewer, and out-of-state shipper in created s. 125.34 of AB-787 are tailored to permittee and licensees. I believe the attached language fits with your described intent and with the language of the existing provisions of AB-787. Please advise if you want any changes.
